#15a – Run Away

TACET

#16 – Let’s Go Fly a Kite

Andante ($\frac{3}{4} = 80$)

[DIALOGUE]

With (last time)

strings, you can have your own set of wings. With your feet on the ground you’re a bird in flight, with your fist holding tight to the string of your kite. Oh,
Let's go fly a kite up to the highest height.

Let's go fly a kite and send it soaring.

Up through the atmosphere, up where the air is clear.

Oh, let's go fly a kite.

*Piu mosso*
